PROFESSIONAL SUMMARY

Entry-level Software Engineer with hands-on experience developing responsive web applications using React.js, JavaScript, Node.js, Express.js, SQL, and PostgreSQL. Currently working as a Fullstack Developer Intern at National Informatics Centre (NIC), Chennai, contributing to an MSME Scheme Recommendation Application. Skilled in REST API integration, frontend-backend workflows, responsive UI development, debugging, and collaborative software development using Git and GitHub.

INTERNSHIP EXPERIENCE

National Informatics Centre (NIC), 2026 – Present | Chennai, Tamil Nadu
Fullstack Developer Intern

- Developing an MSME Scheme Recommendation Application based on user eligibility and business requirements.
- Building responsive frontend interfaces using React.js, JavaScript, HTML5, CSS3, and Bootstrap.
- Integrating REST APIs and implementing reusable UI components for scalable application workflows.
- Collaborating on debugging, testing, Git-based version control, and performance optimization.

EDUCATION

Bachelor of Engineering (B.E.) - Electrical and 2022 – 2026 | Thoothukudi
Electronics Engineering, VV College of Engineering

TECHNICAL SKILLS

Languages	Frontend	Backend	Database
JavaScript, Python, SQL	HTML5, CSS3, Bootstrap, React.js	Node.js, Express.js	PostgreSQL, SQL

Tools & Platforms

Git, GitHub, VS Code, Vercel

PROJECTS

MSME Scheme Recommendation Application, React.js, Node.js, Express.js, PostgreSQL

- Developed a rule-based web application that recommends MSME schemes using eligibility criteria and dynamic workflows.
- Built responsive dashboards, interactive forms, and integrated frontend-backend API communication.
- GitHub: github.com/bharathganesh45/MSME-scheme-recommender-systems

YouTube Clone, React.js, YouTube Data API v3

- Built a responsive video streaming application with dynamic API-based content rendering and reusable React components.
- Implemented client-side routing, responsive layouts, and optimized user interaction workflows.

E-Commerce Frontend Application, React.js, JavaScript, Bootstrap

- Developed a responsive e-commerce frontend with reusable components and structured product browsing workflows.
- Deployed the application using Vercel and optimized UI responsiveness.
